A YEAR OF HOPE

Our Story So Far...

For over 70 years, St. Vincent's House (SVH) has provided essential, holistic services under one roof to a large population of neighbors in need, including many vulnerable, uninsured, underserved individuals and families. As we continue to expand and find ways to best meet the needs of our community, SVH has now become the largest social service agency in Galveston County.

Our Mission

St. Vincent's House provides services and resources to empower people to become healthy, self-sustaining, contributing members of our community.

**A Beacon of
HOPE and
Healing for All
of God's
People**

St. Vincent's House Outreach Program

In order to decrease barriers of access to services and in response to the increased complexity of needs, we have developed the Galveston County Integrated Care Collaborative (GCICC) made up of St. Vincent's House, Family Service Center, and Student Clinics. Our mission is to work hand in hand with the community, creating pathways to inclusive care for the well-being of residents - mind, body and spirit. Together, we are stronger in building a healthy, resilient community.

2023 Accomplishments

Comprehensive Vision Program

We partner with Prevent Blindness Texas & Sight for All with Dr. Susie Mehta, a “Volunteer Optometrist”

Diabetic and chronically ill clients are referred to Dr. Mehta's clinics for eye examinations and glasses. Prevent Blindness provides vision screenings and vouchers for eye exams and glasses.

“I had a patient who was crying in my chair. Turns out he was a truck driver before and he had developed cataracts and was not able to find help. So, we gave him a prescription and a pair of glasses that would allow him to pass his driver’s license test again. He will also receive cataract surgery through the St. Vincent’s Student Clinics. This man already lost two of his vehicles and we are hopeful to get him back on his feet, so he does not lose his home as well.” - Dr. Mehta

2023 Accomplishments

Galveston Diaper Bank

Over 2 million baby & adult incontinence supplies distributed

The Galveston Diaper Bank partnered with St. Vincent's House in order to be more impactful in reaching individuals and families in need. We served 801 distinct babies and 215 individuals.

Drive Thru Narcan Dispensary

Averaging 90 Narcan Distributed each month

We became the 1st Drive Thru Narcan Dispensary in Galveston in 2023, distributing 500 units in the last 4 months.

Galveston County is the #2 place for Fentanyl related deaths in Texas. Narcan is the only medication that can save a life in a matter of seconds.

Expanded Food & Hygiene Pantry

Our comprehensive pantry includes cleaning & hygiene supplies, child & adult diapers as well as fruits & vegetables.

8,239 Snack Packs Distributed to 846 self-identified unsheltered individuals

A STORY OF HOPE

Bill's journey has been one of struggle and determination. Once employed full-time as an architect, difficult times hit as he was diagnosed with cancer. At 78, Bill faced an impossible choice: housing or funding his crucial cancer treatments. Bill's landlord, aware of his battle, raised his rent and he was given an eviction notice. His gas was also shut off, so he had to shower in cold water. Bill felt hopeless and reached out to St. Vincent's House. The team was able to help find him a new home and get back on his feet. Bill is now a local artist and sells his paintings when he is able. Bill gifted Amber, one of our dedicated case managers, a painting titled 'HOPE.' It is a symbol of gratitude for the lifeline and HOPE he was provided. His words echo in our hearts:

'Without HOPE, we have nothing.'

Message from Executive Director, Paula Tobon

We are so proud of this community and everything we have accomplished together to help our friends and neighbors in need.

Because of your support, St. Vincent's House is able to keep HOPE alive in Galveston County by helping resilient individuals and families get back on their feet.

Our doors are always open and we would love for you to experience, first hand, the ministry at St. Vincent's House, where we are a beacon of HOPE and Healing for all God's People. Thank you so much for your continued generosity.

"Whatever you did for one of the least of these brothers and sisters of mine, you did for me"
Matthew 25:40

As the Executive Director of St. Vincent's House, Paula continues to raise the bar in finding ways for the organization to be as impactful as possible. By developing strong community and inter-agency collaborations, SVH is building new avenues of support to better serve our clients.

Thank you to our Board of Directors!
